

Aberdeen

Home Owners Association

From the Aberdeen Board

Dear Residents,

The HOA board would like to wish all residents in Aberdeen a Happy New Year and with a New Year comes new business. One of the items new for 2024 is that Aberdeen has a new lawncare company which is Hay Lawncare and will start spring cleanup in early March as well as fertilizing. There are a couple trees around park 1 on Central Park that will be removed this winter as well.

As we all have seen price increases on everything, our HOA dues have remained the same for the last 9 years with no increase. While costs continue to rise, the HOA Board had to implement a dues increase for 2024 to accommodate the new mowing contract for 2024. As a reminder the new dues are \$216.00 and are due March 1, 2024.

Aberdeen held the annual meeting on January 2, 2024 which is open to all homeowners and present were 11 homes and the residents voted for the 2024 board as the following:

Jerry Profit, Tim Stauffer, Darrell Lewis, Tim Royse, Fred Royse

A motion was made to close out 2023 and was passed. The board would like residents to stay safe as we push thru the cold winter of the new year.

Just remember that although fish may be good to eat, we DO NOT recommend eating fish caught in our ponds due to the fact that the ponds have a high level of nitrogen in them. Our ponds have a lot of yard waste that spill into the ponds and then it is ingested by the fish. The Board asks that you return all fish but if you decide to keep one, then remember the limit is two catfish per household per year and all other species are catch and release only. This insures that all residents have a chance to enjoy catching fish.

No seine nets allowed in Aberdeen ponds.

From the President

Appearance Items to Remember:

1. The lot must be 80% grass. Kill off all weeds and plant grass – fescue is preferred in this climate. The 80% percent rule applies to weeds and dirt among other things.
2. The lot must contain at least three trees.
3. The lot must be maintained in good order.
 - a. Take a look at your lot and compare it your neighbors – if yours is unsightly in comparison – fix it. Violations can include broken or hazardous items such as flower beds that have not been maintained with bricks/borders fallen over or out of place. Please clean out from under your tall unscreened deck areas and discard any unused or unsightly items.
 - b. Fix your fences. If you have a junky looking fence – the probability is that you will get a violation. Fences should be neat, straight, and tidy with no broken, split, or missing parts. It is recommended that all fences be cleaned and stained to guard against deterioration. If you have issues with knowing who owns the fence, in general a fence is yours if a. it's on your property and b. if the finished side faces away from your property – it's probably your fence. All fences should be "good neighbor" fences with the more finished side facing away from the property that owns the fence.

Fines are \$400 per month for a violation.

A great big thank you is due to all that DO keep their lots looking nice – it is very much appreciated by everyone else.
